Lewistown, MT----The Bureau of Land Management's Lewistown Fire Dispatch Office would like to advise everyone that their phone number has changed to 406-538-1072.

This number can be critical during a wildland fire incident and the BLM has informed regional rural fire departments and sheriff's offices of the change.

However, it's also very important that the general public be aware of the new phone number.

Once again, the phone number into the BLM's Lewistown Fire Dispatch Office has changed to 406-538-1072.

The phone number into the BLM's Lewistown Field Office has also changed; it is now 406-538-1900.
